

The Georgia Department of Education
 Division of Special Education Services and Supports presents:

Facilitated Individualized Education Program (FIEP) Team Meetings

What is a FIEP Team meeting?

An IEP Team Meeting lead by a facilitator and designed to be a collaborative dispute prevention and resolution process used when members of an IEP Team agree that the presence of a third party would help facilitate communication and problem solving. IEP Facilitators can be useful in various ways, including when there is a history of communication challenges or a meeting is expected to be particularly complex or controversial.
